2020/5064/L	Jonathan Byatt	06/11/2020 09:02:22	OBJ	Objection. There are no plans to review for this proposal. This site deserves a sympathetic structure to match the Cottage itself. While the idea is one which can be supported in principle, the design of the outbuilding needs to be assessed to ensure this is not just some Warehouse shaped building. I am sure the residents are proposing something in Keeping with the the main building that this needs to be published for review.
