Reason: For the avoidance of doubt and in the interest of proper planning.

- 3 Notwithstanding the provisions of Class D of the Schedule of the Town and Country Planning (Use Classes) Order, 1987, or any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order, the premises indicated for D1 use to the ground floor of the Robert Street Car Park site shall not be used for any other purpose in Class D1 other than to provide community facility for the use of the local communities.

Reason: To ensure the acceptable impact of the non-residential institutional uses on the amenity of neighbours and local transport conditions in accordance with Policies A1, A4 and C2 of the Camden Local Plan 2017.

- 4 The shop front windows to the commercial units shall be used for display purposes and the window glass must not be painted or obscured.

Reason: To safeguard the appearance of the premises and the character of the immediate area and to prevent the introduction of dead frontages within the development in accordance with the requirements of policies D1 and D3 of the Camden Local Plan 2017.

- 5 No flat roofs within the development shall be used as terraces without the prior express approval in writing of the Local Planning Authority.

Reason: To safeguard the amenities of the future occupiers and adjoining

neighbours in accordance with the requirements of policy A1 of the Camden Local Plan 2017.

- 6 The security measures outlined within the Community Safety Statement as approved by application 2016/2954/P dated 05/05/2017, or other such details which have been submitted to and approved in writing by the local planning authority. Security measures shall be implemented in full prior to occupation and thereafter maintained.

Reason: To ensure that suitable measures are taken in respect of security of the site, in accordance with the requirements of policy C5 of the Camden Local Plan 2017.

- 7 Replacement tree planting shall be implemented as approved by application 2016/2966/P dated 03/12/2019, or other such details which have been submitted to and approved in writing by the local planning authority.

Reason: To ensure that the development achieves a high quality of landscaping which contributes to the visual amenity and character of the area, in accordance with the requirements of policies A2 and A3 of the Camden Local Plan 2017.

- 8 Details of sound insulation for the Victory Public House site as approved by application 2018/0298/P dated 28/03/2018 or other such details which have been submitted to and approved in writing by the local planning authority. Sound insulation shall be implemented prior to occupation of the development and thereafter be permanently retained.

Reason: To ensure that the amenity of occupiers of the development site/ adjacent dwellings/ noise sensitive premises is not adversely affected by noise as required by policies A1 and A4 of the Camden Local Plan 2017.

- 9 No music shall be played on any of the commercial premises in such a way as to be audible within any adjoining premises.

Reason: To safeguard the amenities of the adjoining premises and the area generally in accordance with the requirements of policies A1 and A4 of the Camden Local Plan 2017.

- 10 Noise levels at a point 1 metre external to sensitive facades shall be at least 5dB(A) less than the existing background measurement (LA90), expressed in dB(A) when all plant/equipment (or any part of it) is in operation unless the plant/equipment hereby permitted will have a noise that has a distinguishable, discrete continuous note (whine, hiss, screech, hum) and/or if there are distinct impulses (bangs, clicks, clatters, thumps), then the noise levels from that piece of plant/equipment at any sensitive façade shall be at least 10dB(A) below the LA90, expressed in dB(A).

Reason: To safeguard the amenities of the adjoining premises and the area generally in accordance with the requirements of policies A1 and A4 of the Camden Local Plan 2017.

- 11 All details of buildings and materials shall be implemented in accordance with applications 2016/2970/P dated 04/07/2018, 2016/5288/P dated 19/12/2016 and 2018/5205/P dated 15/01/2019 or other such details which have been submitted to and approved in writing by the local planning authority. All approved samples shall be retained on site for duration of the relevant part of development.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 and D2 of the Camden Local Plan 2017.

- 12 No lights, meter boxes, flues, vents or pipes, and no telecommunications equipment, alarm boxes, television aerials, satellite dishes or rooftop 'mansafe' rails shall be fixed or installed on the external face of the buildings, without the prior approval in writing of the local planning authority.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 and D2 of the Camden Local Plan 2017.

- 13 Prior to the occupation of St Bede's Mews and the Victory sites the privacy screening shall be implemented in full. The screening shall be permanently retained thereafter.

Reason: In order to prevent unreasonable overlooking of neighbouring premises in accordance with the requirements of policy A1 of the Camden Local Plan 2017.

- 14 Waste storage and removal shall be implemented in accordance with the details approved in application 2016/0424/P dated 23/03/2017 or other such details which have been submitted to and approved in writing by the local planning authority. The facility as approved shall be provided prior to the first occupation of any of the new units and permanently retained thereafter.

Reason: To ensure that sufficient provision for the storage and collection of waste has been made in accordance with the requirements of policy CC5 and A1 of the Camden Local Plan 2017.

- 15 All hard and soft landscaping and means of enclosure of all unbuilt, open areas shall be implemented in accordance with the details approved in application 2016/2966/P dated 03/12/2019 or other such details which have been submitted to and approved in writing by the local planning authority. The relevant part of the works shall not be carried out otherwise than in accordance with the details thus approved.

Reason: To ensure that the development achieves a high quality of landscaping which contributes to the visual amenity and character of the area in accordance with the requirements of policies D1, A2 and A3 of the Camden Local Plan 2017.

- 16 All hard and soft landscaping works relating to each site shall be carried out in accordance with the approved landscape details by not later than the end of

the planting season following completion of the development of that site or any phase of the development or prior to the occupation for the permitted use of the development of that site or any phase of the development, whichever is the sooner. Any trees or areas of planting which, within a period of 5 years from the completion of the development, die, are removed or become seriously damaged or diseased, shall be replaced as soon as is reasonably possible and, in any case, by not later than the end of the following planting season, with others of similar size and species, unless the local planning authority gives written consent to any variation.

Reason: To ensure that the landscaping is carried out within a reasonable period and to maintain a high quality of visual amenity in the scheme in accordance with the requirements of policies D1, A2 and A3 of the Camden Local Plan 2017.

- 17 Noise levels in rooms of the hereby approved buildings shall meet the noise standard specified in BS8233:2014 for internal rooms and external amenity areas and predicted noise levels in report ref:11775, dated May 2015. Prior to commencement of the relevant part of the development details of the noise levels of blocks fronting Hampstead Road (Newlands site and Rydal Water site) shall be submitted to and approved in writing by the Local Planning Authority and thereafter be permanently retained.

Reason: To safeguard the amenities of the future occupiers and adjoining neighbours in accordance with the requirements of policies A1 and A4 of the Camden Local Plan 2017.

- 18 Details of building vibration levels and mitigation measures shall be implemented prior to occupation of the hereby approved development in accordance with the details approved by application 2018/0386/P dated 10/04/2018, or other such details which have been submitted to and approved in writing by the local planning authority, such measures shall thereafter be permanently retained.

Reason: To safeguard the amenities of the future occupiers and adjoining neighbours in accordance with the requirements of policies A1 and A4 of the Camden Local Plan 2017.

- 19 Sound insulation measures shall be implemented prior to occupation of the development and thereafter be permanently retained in accordance with the details approved by application 2016/2965/P dated 30/06/2016 or other such details which have been submitted to and approved in writing by the local planning authority.

Reason: To safeguard the amenities of the future occupiers and adjoining neighbours in accordance with the requirements of policies A1 and A4 of the Camden Local Plan 2017.

- 20 The development hereby approved shall incorporate sustainable design principles and climate change adaptation measures into the design and construction of the development in accordance with the approved sustainability statement (Energy and Sustainability Statement, May 2015, TGA consulting

engineers) and details approved by application 2018/0055/P dated 08/06/2018, or other such details which have been submitted to and approved in writing by the local planning authority, and shall be retained and maintained thereafter.

Reason: To ensure the development contributes to minimising the effects of, and can adapt to a changing climate in accordance with policies CC1 and CC2 of the Camden Local Plan 2017.

- 21 The development hereby approved shall achieve a maximum internal water use of 105litres/person/day, allowing 5 litres/person/day for external water use. Prior to occupation, evidence demonstrating that this has been achieved shall be submitted to and approved by the Local Planning Authority.

Reason: To ensure the development contributes to minimise the need for further water infrastructure in an area of water stress in accordance with policies CC1, CC2 and CC3 of the Camden Local Plan 2017.

- 22 The development shall be constructed and maintained in accordance with the mechanical ventilation system details approved on 15/07/2020 under reference 2016/2962/P, or other such details as submitted and approved in writing by the Local Planning Authority demonstrating that air inlet locations will be positioned away from busy roads and as close to roof level as possible. The development shall thereafter be constructed and maintained in accordance with the approved details.

Reason: To protect the amenity of residents in accordance with G1, A1 and CC4 of the Camden Local Plan 2017.

- 23 Prior to commencement of any development other than site clearance & preparation, relocation of services, utilities and public infrastructure and demolition, full details of the existing and proposed surface water run off rates for the 1in1 and 1in30 and 1in100 year storm with a 30% provision for climate change and to achieve a 50% reduction in surface water run off, and a means by which flow rates will be controlled.

The details of the sustainable urban drainage system thus approved and as noted in the approved SuDs drainage report, Iesis Special Structures, July 2015 shall be installed and shall thereafter be retained and maintained in accordance with the approved maintenance plan.

Reason: To reduce the rate of surface water run-off from the buildings and limit the impact on the storm-water drainage system in accordance with policies CC1, CC2 and CC3 of the Camden Local Plan 2017.

- 24 The precautionary working approach shall be employed throughout the construction period in accordance with the details approved by application 2016/2961/P dated 06/10/2016, or other such details which have been submitted to and approved in writing by the local planning authority. This shall include approaches to mitigate the impact on bats on the sites of the Victory and St Bede's. All site operatives must be made aware of the possible presence of protected species during works. If any protected species or signs of protected species are found, works should stop immediately and the Local

Planning Authority should be notified, no work shall continue until agreed by the Local Planning Authority.

Reason: To ensure the development contributes towards the protection and creation of habitats and valuable areas for biodiversity in accordance with policy A3 and CC2 of the London Borough of Camden Local Plan 2017.

- 25 Prior to occupation of the development all bird and bat boxes shall be installed in accordance with the details approved by application 2016/1326/P dated 28/12/2016, or other such details which have been submitted to and approved in writing by the local planning authority. The boxes shall be permanently retained thereafter.

Reason: In order to secure appropriate features to conserve and enhance wildlife habitats and biodiversity measures within the development, in accordance with the requirements of the London Plan (2016) and Policies A3 and CC2 of the London Borough of Camden Local Plan 2017.

- 26 Green and brown roofs shall be fully provided in accordance with details approved by application 2016/2960/P dated 12/12/2017 or other such details which have been submitted to and approved in writing by the local planning authority. The green and brown roofs shall be provided prior to first occupation and thereafter retained and maintained in accordance with the approved scheme of maintenance.

Reason: To ensure that the green roof is suitably designed and maintained and undertakes reasonable measures to take account of biodiversity and the water environment in accordance with policies G1, CC1, CC2, CC3, CC4, D1 and A3 of the London Borough of Camden Local Plan 2017.

- 27 The implementation of the mitigation and gained areas of open space improvements hereby approved shall be provided as follows:
- a) Albany Street landscape works provided in full prior to occupation of the Dick Collins Hall site;
  - b) Stanhope Street/Robert Street landscape works provided in full prior to occupation of the Robert Street Car Park site;
  - c) Thirlemere Garden works provided in full prior to occupation of the Victory Public House site.
  - d) Varndell Street landscape works provided in full prior to occupation of the Newlands site.
  - e) The Tarns mitigation works provided prior to occupation of Rydal Water or as soon as practically possible following completion of HS2's use of the area for their construction works.

All areas of open space shall be provided in accordance with the details approved under condition 16 and permanently maintained.

Reason: To ensure the provision of open space for future and existing residents and to maintain the character and amenity of the area in accordance with the requirements of policies D1, A2 and A3 of the Camden Local Plan 2017.

- 28 Cycle storage facilities shall be provided in full in accordance with application

2016/0688/P dated 08/05/2017 or other such details which have been submitted to and approved in writing by the local planning authority and shall be provided prior to the first occupation of any of the new units, and permanently retained thereafter.

Reason: To ensure the development provides adequate cycle parking facilities in accordance with the requirements of policy T1 of the London Borough of Camden Local Plan 2017.

- 29 Visitor cycle parking shall be provided in full accordance with the application 2016/2970/P dated 04/07/2018. or other such details which have been submitted to and approved in writing by the local planning authority. The approved facilities shall thereafter be provided in full prior to the first occupation of any of the new units, and permanently retained thereafter.

Reason: To ensure the development provides adequate cycle parking facilities in accordance with the requirements of policy T1 of the Camden Local Plan 2017.

- 30 Should it not be possible to retain T17, the following steps shall be taken:

- a) Full details of the condition of the tree shall be submitted to and approved in writing by the Local Planning Authority.
- b) Once removal has been agreed, details of a suitable replacement tree shall be submitted to and approved in writing by the Local Planning Authority. Details shall include details of replanting species, position, date and size.
- c) The replacement tree shall be planted in the next available planting season following the completion of construction works at the Rydall Water or should the tree be removal following the completion of Rydall Water it shall be replaced at the next available planting season.

Reason: To ensure that the development achieves a high quality of landscaping which contributes to the visual amenity and character of the area, in accordance with the requirements of policies D1, A2 and A3 of the Camden Local Plan 2017.

- 31 Condition 31 was removed by application 2018/0038/P dated 09/03/2018.

- 32 The lifetime homes features and facilities, as indicated on the drawings and documents hereby approved shall be provided in their entirety prior to the first occupation of any of the new residential units.

Reason: To ensure that the internal layout of the building provides flexibility for the accessibility of future occupiers and their changing needs over time, in accordance with the requirements of policy C6 of the Camden Local Plan 2017.

- 33 \*\* CMP

All construction works shall be implemented in accordance with the approved Construction Management Plan (CMP) under applications 2016/0156/P dated 06/05/2016 and 2017/1583/P dated 13/12/2017 or other such details which have been submitted to and approved in writing by the local planning authority.

The measures contained in the Construction Management Plans shall at all times remain implemented during all works of construction.

Reason: In order to protect the pedestrian environment and the amenities of the area generally and to ensure the continued free flow of traffic in the area in accordance with Policies G1, CC4, T4 and DM1 of the Camden Local Plan 2017.

This condition shall not apply to the development to be carried out within the Dick Collins Hall site on the basis that such land is subject to a Section 106 Agreement entered into on 20 December 2019 pursuant to section 106 of the Town and Country Planning Act 1990 between Lovell Partnerships Limited and The Mayor and Burgesses of the London Borough of Camden and subject to a Section 106 Deed of Variation entered into on or around the date of this decision notice.

Informative(s):

- 1 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 2363).
- 2 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Environmental Health Service, Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 2090 or by email [env.health@camden.gov.uk](mailto:env.health@camden.gov.uk) or on the website [www.camden.gov.uk/pollution](http://www.camden.gov.uk/pollution)) or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 3 The Mayor of London introduced a Community Infrastructure Levy (CIL) to help pay for Crossrail on 1st April 2012. Any permission granted after this time which adds more than 100sqm of new floorspace or a new dwelling will need to pay this CIL. It will be collected by Camden on behalf of the Mayor of London. Camden will be sending out liability notices setting out how much CIL will need to be paid if an affected planning application is implemented and who will be liable.

The proposed charge in Camden will be £50 per sqm on all uses except

affordable housing, education, healthcare, and development by charities for their charitable purposes. You will be expected to advise us when planning permissions are implemented. Please use the forms at the link below to advise who will be paying the CIL and when the development is to commence. You can also access forms to allow you to provide us with more information which can be taken into account in your CIL calculation and to apply for relief from CIL.

<http://www.planningportal.gov.uk/planning/applications/howtoapply/whattosubmit/cil>

We will then issue a CIL demand notice setting out what monies needs to paid when and how to pay. Failure to notify Camden of the commencement of development will result in a surcharge of £2500 or 20% being added to the CIL payment. Other surcharges may also apply for failure to assume liability and late payment. Payments will also be subject to indexation in line with the construction costs index.

Please send CIL related documents or correspondence to  
[CIL@Camden.gov.uk](mailto:CIL@Camden.gov.uk)

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2019.
