Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Request for Observations to Adjoining Borough - No objection

Address:
22-29 Albert Embankment
London
SE1 7TJ

Proposal: Request for observations to London Borough of Lambeth for variation of Condition 33 (permitted delivery days) of planning permission 16/04713/VOC (current ref. 20/03511/VOC).

Drawing Nos: Consultation Letter dated 9th November 2020.

The Council, as a neighbouring planning authority, has considered your request for observations on the application referred to above and hereby raises no objection.

Informative(s):

- 1 No objection is raised to this variation of details application.

The variation involves changing the wording to include deliveries from 10.00 to 15:00 hours on public holidays whereas it was prohibited by condition before.

The impact of the change on the London Borough of Camden is considered minor due to the distance of the site and nature of the change. It would not result in a material impact to Camden's transport infrastructure or harm to amenity.

As such, no objection is raised, and it is recommended that the application should be determined under the London Borough of Lambeth's planning policies.

Yours faithfully

A handwritten signature in black ink, appearing to read 'DP', is positioned above the printed name and title.
