2020/3552/P	Alan John Mason	07/11/2020 08:06:15	OBJ	This is a gross over-development of a very modest period property. There is not enough street-facing exterior space to accommodate facilities - bin storage, bikes etc - for fifteen residents. The Council is urged to reject this application.
2020/3552/P	Marcia MacLeod	07/11/2020 17:46:26	OBJ	<p>I object to this planning application primarily because we - which can be defined as West Hampstead and London as a whole - need affordable family flats and one/two bedroom flats, not 12 rooms.</p> <p>In addition, if there are going to be up to 15 people living there, will parking permits be refused? There is no room for another 15 cars (or 10 cars, or even five cars) in this area.</p> <p>And finally, up to 15 more people puts pressure on doctors' and dentists' surgeries which are already full - and will have even less room for new patients when other developments already approved and possibly underway are completed. It is not acceptable to permit developments which will increase density without also providing extra necessary facilities.</p>
