2020/3897/P	Nicola Rogal	15/11/2020 20:44:43	COMMNT	I feel that the increasing amount of 'tanking' out basements in the area may cause trouble to the neighbouring houses of which we are one. On this basis, I would suggest that the householders suggest some other alternatives which would give them the space they need without digging down for more space.
