4. Description of the Proposal

Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s).

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

Demolition of part of the existing rear extension at ground floor level to create two courtyards. Replacement of existing fenestration at ground and second-floor level to front elevation. Installation of a new door at the rear first floor. Removal of the existing roof and replacement with dummy mansard roof to accommodate a green roof terrace all in connection with the existing dwelling house (Class C3).

Has the development or work already been started without consent?

☐ Yes ☒ No

What was the date (approximately) of the erection of the part to be removed?

Month

1

Year

1974

(Date must be pre-application submission)

Please provide a brief description of the building or part of the building you are proposing to demolish

Demolition of non original existing ground level rear extension
Demolition of non original supporting columns
Demolition of non original stair from level 02 to 04
Demolition of non original stair from level 00 to -01
Demolition of part of non original flat roof on the rear elevation side to accommodate a green area, concealed behind retained rear elevation of existing roof.

Why is it necessary to demolish or extend (as applicable) all or part of the building(s) and or structure(s)?

Demolition regards mostly the non original sections of the building that were built during the time it was used as offices.
It is necessary to demolish the above parts of the non original structure to facilitate the provision of green areas - for the amenity of the application site as well as neighbouring / surrounding properties.
The proposal aims to restore the original historic features of the house.
