

PHASE 2 SHELTON STREET PROPOSED SHORT ELEVATION and SECTION

NOTE:
Drawing based on inherited information.
To ascertain exact layout, levels and areas it is recommended that a full survey be carried out.
All drawings to be issued to building regs for comment and approval.

Do not scale from this drawing. Use figured dimensions only. Figured dimensions are in millimetres. All levels are in metres. All dimensions and levels shall be verified on site before proceeding with works. Detailed site survey to be carried out to verify positions and level relationships with site features and ordnance survey. The architect must be notified of any discrepancy. Where building components are described in the specification as contractor designed, "construction" information relating to those components on this drawing represents design intent only	REV	DATE	COMMENTS
