Reason: In order to protect the amenity of nearby occupiers, in accordance with the requirements of policy CS5 of the London Borough of Camden Local Development Framework Core Strategy and policy DP26 of the London Borough of Camden Local Development Framework Development Policies.

Informative(s):

- 1 It is a requirement of Section 93B (2) of the Business and Planning Act 2020 that the development to which the permission relates must be begun not later than 1st May 2021.
- 2 Reasons for granting approval-

The planning permission ref: 2016/3596/P dated 24/03/2017 expired on 24 March 2020 which is within the relevant time period starting on 23 March 2020 and ending on 19 August 2020 (the date when the relevant parts of the Business and Planning Act 2020 took effect). Thus the permission can now be extended in accordance with these regulations.

The original application ref. 2016/3596/P did not include either an Environmental Impact Assessment (EIA) nor a Habitats Regulation Assessment (HRA) at the time of determination. Furthermore, were the application resubmitted now for determination, the Local Planning Authority would not require either an EIA nor a HRA for this type of development.

Circumstances have not changed since the granting of this planning permission in 2017, therefore this application to extend implementation of permission ref 2016/3596/P until 01/05/2021, under Section 93B of the TCPA 1990 (as amended by Section 17 of the Business and Planning Act 2020), should be approved.

- 3 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS

(tel: 020-7974 6941).

- 4 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team London Borough of Camden 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444) . Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.
- 5 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website at <https://beta.camden.gov.uk/documents/20142/1269042/Camden+Minimum+Requirements+%281%29.pdf/bb2cd0a2-88b1-aa6d-61f9-525ca0f71319> or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No. 020 7974 4444)

You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You must secure the approval of the Council's Noise and Licensing Enforcement Team prior to undertaking such activities outside these hours.
