

- Notes**
1. For general notes refer to specification.
  2. Do not scale the drawing.
  3. This drawing to be read in conjunction with all other Architects and Engineers drawings and specifications including outline structural specification.
  4. All dimensions are in millimetres unless noted otherwise.
  5. Any discrepancies between structural and architectural setting out dimensions must be brought to the attention of the Architect and Engineers.

**Mechanical Notes**

1. Minimum level of heating for frost protection provided through wall mounted fan coil units. Contractor to allow for 8 number ceiling mounted fan coil units, location to be determined in conjunction with retail tenant.
