**Notes:**  
Existing information is based on construction drawings for both the original refurbishment works and the subsequent retail fit out. A full survey of the space, including service routes and positions of physical features should be undertaken prior to construction. Please report any discrepancies to the Architect.

Please note that furniture is not indicated on the drawings as it is assumed it will be removed by the outgoing retailer.

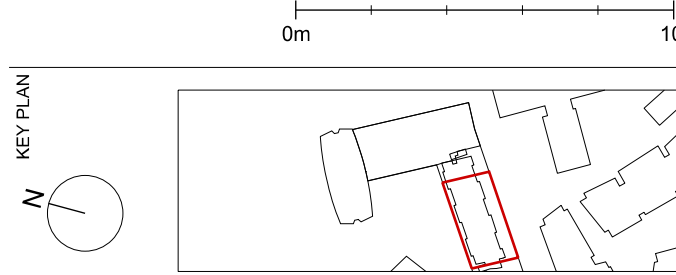

Some electrical services including lighting and fire detection to back of house areas are subject to survey and are not shown on this drawing. Refer to electrical engineer information.
