**NOTE**

- Do not scale from this drawing.
- All dimensions to be checked on site by the contractor and each dimension to be his responsibility, errors, omissions and discrepancies, to the architect.
- This document may be issued in an uncontrolled CAD format to enable others to use it as background information to make alterations and/or additions. In that case, all alterations and additions must be made in a way that they make use of current background information.
- As the CAD records no facility for any such alterations or additions to the drawing, any such alterations or additions must be made on a separate drawing which occur prior to alterations of additions being made.

**NOTE**

Existing Building Elements are shown indicatively only and do not represent as-built information
