2020/5386/T	Kate Shaughnessy	21/11/2020 11:12:00	OBJ	I oppose this application because of the importance of trees in our personal battle against climate change. I believe all trees in Camden should come under a preservation order until further notice while Camden seriously considers stricter measures to save our environment. Time is running out and trees are one of the most valuable assets we have. Stop private and public desecration of this asset please.
