2020/4542/L	Valentino Ciciarelli	24/11/2020 21:30:34	OBJ	This plan will desecrate the work done by neive brown! Pipes that break the line of site outside the main property window, curve after curve of visible pipes over the entrance door, junctions of pipes, simply horrific! The pipes can be easily installed from the ground floor up and not from the top floor down. As a resident and directly effected I object to these plans that have no respect on the heritage this estate carries! Shame on the architect who even though of this!!!
