8. Explanation for Proposed Demolition Work

Why is it necessary to demolish all or part of the building(s) and/or structure(s)?

The existing external staircase is currently redundant and the existing platform is being used as a balcony. The client wishes to demolish the external staircase and extend the platform to provide a more appropriate external space to act as a balcony. The existing staircase cuts across the ground floor bedroom window which restricts opening and ventilation, the proposal allows the window to be used appropriately.

9. Materials

Does the proposed development require any materials to be used externally?

☒ Yes ☐ No

Please provide a description of existing and proposed materials and finishes to be used externally (including type, colour and name for each material):
