2020/4202/P	Mr J Green	25/11/2020 16:26:22	OBJ	<p>STRONG OBJECTION</p> <p>Dear sir ,</p> <p>As owners of 41 fitzroy road london NW18TP i feel it important that the integrity of the original rear elevations of the terrace are left as intact as possible.</p> <p>I fully appreciate and understand that the owners of the property at number 43 fitzroy road are inclined to build up and out as much as possible to achieve maximum square footage however within this particular design i feel strongly that the end result will impact on rights of light to neighbouring properties , the design is highly visible from all gardens and the studios and there is no president for it, and it will negatively impact the character of the conservation area.</p> <p>many thanks</p>
