2020/4856/P	Paul D Birch	26/11/2020 08:46:27	COMMNT	<p>I can't help but feel that as an historic Conservation Area, this new development will detract from the character of the area considerably.</p> <p>At the moment we have a variety of properties set with in small lanes and alleys which give a certain character to the area. This is being eroded by over development of properties, being enlarged and redesigned which is not in keeping with the environment in general.</p> <p>So in essence I strongly object to this development.</p>
