READ THIS FIRST

- Note for Contractors**
This drawing should be considered along with the risk information contained in the CDM Pre Construction Information. This information will include details of the SIGNIFICANT risks which LDA Design has identified which may arise from constructing their designs shown on this drawing. A Competent Contractor should be aware of the typical risks associated with doing this work.
- Note for Workers**
DO NOT START YOUR WORK unless you know the Risks and Controls relating to the work on this drawing (including SAFE SEQUENCES OF WORK AND EQUIPMENT).
Do not issue copies of parts of this drawing without the above Note for Workers (unless you are sure that the Workers can undertake the work safely).

- LEGEND**
- This drawing is to be read in conjunction with all other drawings and specifications.
 - Do not scale off this drawing. Written dimensions to be taken only.
 - Any discrepancies found between this drawing and other drawings and specifications in the construction documents must be referred to the Landscape Architect prior to work commencing.
 - This drawing must not be copied in whole or in part without written consent of LDA design.
 - These drawings are for finishes only. All foundation, fixing, paving depths and drainage details to be provided by others.
 - All dimensions in mm unless otherwise stated.
 - Where dimension sizes of units are given they state length x width x depth.
