Tree works at 94 Frognal, NW3 6XB

T1 Lime Reduce by 30%, shape and remove deadwood. Recently a large Oak tree opposite fell over and went into the road and hit the Lime Tree. There are quite a lot of strong winds that come from the top of the hill down into the valley. Now that the Oak tree is gone their tree is now more open and susceptible to the high winds.

T2 Conifer Reduce height and shape as the neighbour is complaining of the size of the tree. The Conifer is right next to the neighbour's window and blocks their view.
