2020/5239/P	Peter Clapp	01/12/2020 09:40:10	SUPPRT	LabTech have made a huge investment in cleaning up Buck Street Market. It is tragic that the pandemic has frustrated this group of small restaurants on the top floor. I SUPPORT the application 100%, and hope that the Planning Committee will do the same if this should go to committee. Everything that has been done at Buck Street has been to a high design standard, and this tent structure has been well considered.
