2020/5303/L	Diana Shelley	02/12/2020 14:25:30	COMMNT	<p>Since apparently none of the documents can be published online, how can any member of the public comment?</p> <p>I no longer live locally but from 1983 to 2015 was very involved in planning issues in King's Cross and never encountered such a situation. (I'm on Camden's mailing list as I continue to take a keen interest in what happens in the area).</p> <p>While it seems unlikely I would personally want to object to the proposals outlined above, I imagine others might. How would they if they have no right to see the documents? There seems to be a rather serious obstacle to anyone wishing to exercise their democratic rights.</p> <p>So on that basis, I hereby object to this application, which should be resubmitted with the documents.</p>
