To whom it may concern:

I strongly oppose this ugly planning application.

It has already been rejected once, and there is no reason to re-present it with basically no material difference.

The planning application will result in an unfavourable visual impact, ruining the design and architecture of this modernist block.

Also, I am appalled that the Council has the resources to waste on spurious, already rejected, planning applications while at the same time it hasn't removed for more than two years the graffiti that have been standing undisturbed, despite many promises in that regard and despite having installed scaffolding. At the same time the access should be restricted to avoid that other teenagers can copy and imitate the behaviour of the previous vandals, endangering their lives.

I copy Councillor Anna Wright that has been dealing with this for a while, unfortunately to no avail.
