

**Notes**

- 1 | Do not scale from this drawing. Use figured dimensions only. The contractor is requested to check all dimensions before the work is put in hand.
- 2 | Read in conjunction with all other Architect's and structural engineer's drawings.

- 3 | Report any discrepancies to the contract administrator before undertaking the work described in the drawings.
- 4 | Dimensions are approximate site dimensions and are to be verified by the contractor on site before any fabrication / site works occur.
- 5 | Contractor is responsible for all temporary propping to existing structure.
