,We have learned that there are changes in the planning laws which will permit houses on our estate to be extended up and out and in fact in every and any direction. We strongly object to this new notion eg in Hawtrey Rd.... there is a row of 7 houses .... there is a gap between no 11 and 13...if the Felix family is granted permission to build upwards it will be the only 3 storey house in that row.

This estate is uniform, consistent and charming. There are open spaces.... if this extension will be permitted the whole outside view will be destroyed and spoilt both from Hawtrey Road and also the communal garden. We also believe that there will be no privacy any longer.

For all the above reasons we object to this haphazard new planning ..... the former plan of all the houses in the row is far more preferable.

Yours Sincerely,

John and Pamela Lucas.
