2020/2434/P	Rob Macdonald	14/12/2020 16:08:15	OBJ	<p>I object to the approval of this application. This development will cause a long period of noise and mess in the air to my flat and the rest of this heavily populated (domestic residences) in this area. The area is already over populated for the amenities in the area.</p> <p>If the development is approved there should be strict conditions to ensure that the whole site is shrouded to keep noise and dirt away from it's very close neighbours. Also no work should be allowed on the Site on Saturday mornings.</p>
