

Proposed Section E  
1 : 100

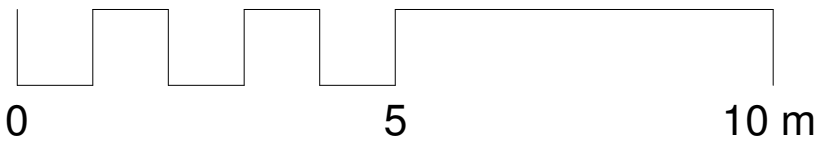

Notes

This drawing is subject to full verification by measured and structural survey, engineering design, confirmation of boundaries, easements and covenants.

This drawing is subject to full consultation with statutory bodies and associated consents.

The information is based upon OS information and topographical information supplied by third parties.

Reference Plan

This drawing has been prepared solely for the use of The Hall School and there are no representations of any kind made by NORR Consultants Limited to any party with whom NORR Consultants Limited has not entered into a contract

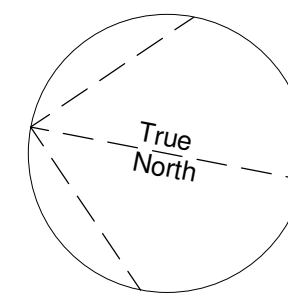

This drawing must not be used, reproduced or revised without written permission.

This drawing shall not be used for construction purposes until the "CONSTRUCTION" status appears under the Sheet Status.

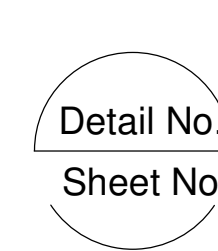

Constructors must only work to figured dimensions which are to be checked on site. Do not scale from hard copy drawings
