To whom it may concern,

I, Lacey Elliott of 113B Priory Road, live in the same building as Mr Dowsett and the and have done so for over 5 years. I am aware of the proposed alterations to Flat C, including but not limited to:

- The purchasing of the space in the stairwell beyond the entrance to my property
- The move of Flat C's front door to the landing adjacent to Flat B's (My own front door)
- The rearrangement of the internal layout of the flat
- The new windows
- Their access to the roof through a roof hatch and the addition of solar panels on the roof and dormer windows
- The inclusion of the bike shed in the communal area of the back garden

I have no objections to any of the proposed changes and believe they will benefit the property. I intend to live here for the foreseeable future.

Yours,

Lacey Elliott
