RE: APPLICATION NO: 33 Greencroft Gardens, N.W.6
PW 990 2291

PROPOSED WORK:

Retention of a pitched roof on an existing rear extension

Dear Sir/ Madam,

CRASH wishes to lodge an objection to the above planning application on the following grounds:

This is an extraordinary structure on the rear of this building which appears by the photograph to be overlapping both neighbouring houses. Is this really to be allowed?
It is certainly not "as unobtrusive as possible" (Conservation Area Statement 9.14)

OBT.

Joseph Han

We would be grateful if you would keep us in touch with developments.

Yours Faithfully,

[Redacted] (committee member of CRASH)
