2020/4986/P	Sylvie chaurin	27/12/2020 13:39:52	OBJ	Works has been taking place at the back of the restaurant on the roof for the fan extractor I believe. There was already a lot of issues with noise nuisance coming from it for residents. This has been a recurring issue and even more so in the last few days. Could this not be ignored as part of the reopening of this restaurant.
