2020/5076/P	J. Hunt	18/12/2020 13:40:02	INT	<p>This application is for an extremely big awning at the front of the premises.</p> <p>It is likely to worry neighbours above Rozay @ 327 and Sparkle @ 329 West End Lane if it is the first step in establishing a long-term external seating area. Streatery projects (in reaction to Covid conditions) have a deadline of September 2021 but there have been many objections in this area to premises which have outside patios/frontages re noise and anti-social problems.</p> <p>We hope planners will have a close look at this application in terms of harm to the amenity and peaceful enjoyment of homes for other residents.</p>
