2020/5426/T	Mojgan green	14/12/2020 15:11:58	COMMNT	Strongly object to felling of these healthy holly t1+t2 although they are close to the building frontage, they are an appealing visual aspect to the ca and should not be discarded or felled for building maintenance purposes?! which is vague reason for removing them to say the least. They must be kept for their amenity value.
