2020/5350/P	Dr P Winter	18/12/2020 11:51:49	COMMNT	Retaining a wooden door to the entrance to the garage would be more in keeping with neighbourhood, and in keeping with the current appearance from Christchurch Hill
2020/5350/P	H Lewis	21/12/2020 11:18:08	OBJ	At present the facade in Christchurch Hill is harmonious with the street. The adjacent facades are of wood and blend in with the rest of that section of the street. Changing the gates to metal will make them stand out obtrusively.
