2020/5597/T	Kate Shaughnessy	04/12/2020 09:32:53	COMMNT	Without an intelligent private tree policy in Camden we are losing trees that we need during the climate crisis. All felling of trees should be banned by the Council as of now.
2020/5597/T	Mojgan green	14/12/2020 15:35:33	COMMNT	Strongly object to felling and removing the rear garden 1x robinia t2 and the palm tree group again in the rear garden g1 as these are away from buildings and have a very probable visual value amenity and provide privacy to both gardens backing in to one another!
