2020/5674/T	Jan Brooker	18/12/2020 10:28:32	OBJ	<p>Comment on behalf of Highgate Conservation Area Advisory Committee.</p> <p>No objection to removal of cherry trees, so long as they are replaced with other appropriate small trees. The yew, however, is a nice-looking mature tree. It would be much preferable to deal with the die-back in some other way. Alternatives to felling should be considered.</p>
2020/5674/T	Louise Lewis Highgate	15/12/2020 12:17:50	COMMNT	<p>We would be grateful if the Tree Officer could find the conditions on which this development was given permission. It could be that the cherry trees were not planted appropriately under these conditions. It also looks as if the yew tree pre-dates the development and may also have been given special protection. The applicant should be clearer about which replacement trees they propose to plant and where and when.</p> <p>Louise Lewis Highgate Neighbourhood Forum</p>
