2020/5623/P	Lynnette Kyme	01/01/2021 11:38:47	COMMNT	This corner certainly needs regeneration. I'd seek reassurance from the the planning and design professionals involved that any construction remains sympathetic to the area, the age of the underground station, and the more attractive residential properties in the area. Otherwise - coupled with the development at Morrison's site along the road, this is going to turn into a mini Swiss Cottage.
