**ENVIRONMENTAL HEALTH OBSERVATIONS**

Buck Street Market is located on Camden High Street a short walk from Camden Town Underground station and opposite London Underground Ltd's proposed location of a new entrance and exit to the station on the site of the former Hawley Primary School, in Buck Street.

The tent would be erected for the winter period from December 2020 and removed in late March or early April 2021.

The installation of this stretched tent has minimal environmental impact, therefore we have no objections to its installation.
