The Proposed Work:

Demolition of existing building and erection of a development comprising residential (Use Class C3), Hotel (Use Class C1) and associated commercial, business and service (Use Class E, formerly Use Classes A1 and A3) with associated works

Thank you for your consultation.

I can confirm that the planning applicant is in communication with London Underground engineers with regard to the development above. Therefore, we have no comment to make on the application except that the developer should continue to work with LU engineers throughout the design and construction phase.

This response is made as Railway Infrastructure Manager under the "Town and Country Planning (Development Management Procedure) Order 2015". It therefore relates only to railway engineering and safety matters. Other parts of TfL may have other comments in line with their own statutory responsibilities.

Kind regards
