2020/5161/A	Hampstead CAAC	10/01/2021 16:05:08	COMMNT	Initial HCAAC Objection pending upcoming meeting. The front entrance neon light is fairly discreet and could be a good advertisement for Camden Art centre. The corner signage is a necessary retained element but needs to be designed in a more sustainable material. Object to all Other proposed signage will only clutter the facade on both Finchley Road and Arkwright road and are un necessary.
