5. Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The use of the premises as dry cleaners was lawful under Use Class A1 until 31 August 2020 and moved on to become Use Class E from 1 September 2020 lawfully under the Government’s changes to the Use Classes system.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. Information about the proposed use(s)

Select the use class that relates to the proposed use. Please note that following changes to Use Classes on 1 September 2020, the list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes.	Other

Use Class E	

Is the proposed operation or use ☒ Permanent ☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

Change of use of the premises from dry cleaners to restaurant is lawful. This is because both the dry cleaners use and the restaurant use fall within the Use Class E. Therefore, this is not material change of use that constitutes development which requires planning permission from the Local Planning Authority.
