2020/5628/P	Selwyn Midgen	12/01/2021 15:00:43	COMMNT	<p>I wish to object to this Planning Application. The Application breaches the Covenants collectively signed by all Residents on the Purchase of their property.</p> <p>The Height and design in respect of the proposed 2nd story is completely out of keeping with the original Ted Levy Design.</p> <p>The Ground Floor alterations may well be detrimental to the TPO's on existing trees.</p> <p>Any grant of a Consent in respect of the Ground Floor extension sets a Precedent for others on the Estate leading to multiple Applications and Objections. This is a cost to the Local Authority and a waste of Ratepayers money.</p> <p>the Estate, to the best of my knowledge, is in a Conservation Area.</p>
