**42-45 Belsize Park and land adjacent to 79 Belsize Lane**

With reference to your correspondence dated 4 March 1996 and our subsequent telephone conversation, I wish to convey my grave concerns regarding the proposed three storey extension at the rear of 42-45 Belsize Park.

Firstly, I very much doubt that the structure would be in keeping with the properties in the immediate vicinity.

Secondly, we currently enjoy a high level of security and privacy at the rear of our property, which could be jeopardised by this building and the proposed car park.

Thirdly, and importantly, obviously depending on the dimensions of the extension, I suspect daylight/sunlight will be restricted into our flat and garden, thus effecting our lifestyle as well as the current value of our property.

Pending sight of the plans and your findings and given the above, I would like to say that I totally oppose this proposed building work.

I enclose an SAE and trust you will inform me of your progress.

Yours sincerely
