5 June 96

Dear Mr Pike, Case Officer (AO)

As regards the above OBC application, we strongly approve the scheme which asks for 26 residential units and only parking spaces for 17 cars must be provided, the roads are horrendous enough now mainly due to large houses converted into flats as you must be well aware and every extra car put on the road just increases the added danger of driving in Hampstead.

LJB
bren

P.S.

I wish to know the date of committee meeting
