Dear Mr Brew,

Re: 42-45 Belsize Park NW3

Further to our telephone conversation last week, we would like to confirm that our client has sent us a drawing which shows the curtailage of land in their ownership. You will note from the enclosed drawing that the south west boundary is up against the building (number 45) and not as originally shown.

We have amended the Site plan and provided copies of the Location plan (drawing numbers 9603/100A and 9603/001)

You will note that the bin store has been relocated. We note that this is only a minor point and will assume that the application can be processed without delay. We apologise for any confusion that has been caused but you will note that the original information was provided by our client.

If you have any queries please do not hesitate to contact this office.

Yours sincerely
