Dear Mr Brew,

Re: 42-45 Belsize Park NW3

Further to our meeting at your office last month please find enclosed five sets of revised drawings which show the revised scheme as discussed.

The scheme is essentially the same as the one which was originally approved with the exception of the increase in the size of the extension at the rear.

You will note that we are not pursuing the new buildings at the rear and this shall be covered in a later letter.

I would be most obliged if the scheme could be resolved at the earliest opportunity as my client has had to endure considerable delays which could have been avoided.

If you have any queries please phone this office immediately so they can be resolved efficiently.

Yours sincerely
