Dear Mr Brew,

Re 42-45 Belsize Park NW3

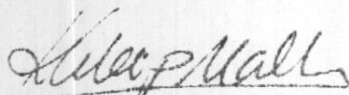

Further to our telephone conversation I would like to clarify the discrepancy on the drawing

We enclose an extract of part of the rear elevation and part of the section. You will note that the rear extension height is 3920mm and the french doors to the rear elevation are reduced in height.

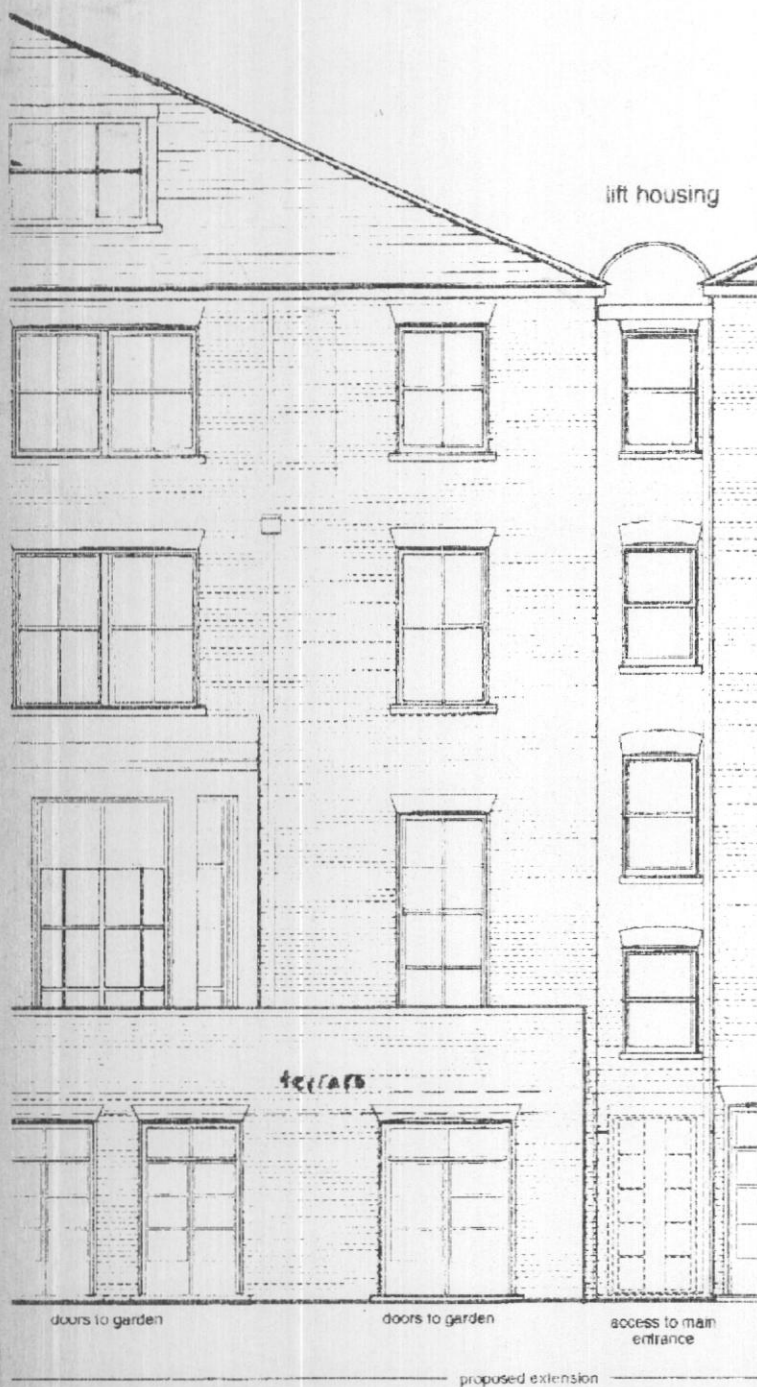

Also with reference to the terraces we note that you would like the terrace removed to Unit 6 and part of the terrace to Unit 7. Again we have shown this on the enclosed extract of the floor plan.

If you have any queries please do not hesitate to phone me

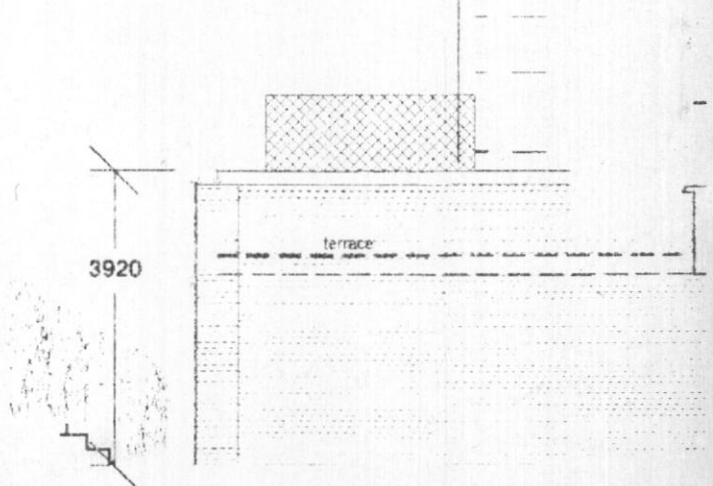

Yours sincerely
