Dear Mr Brew,

Re: **42-45 Belsize Park NW3**

Further to my telephone conversation with your office please find enclosed five copies of the appropriate amended drawings which show the following:

- 1.00 The rear extension height is 3920mm and the french doors to the rear elevation are reduced in height.
- 2.00 The terraces to the two bays on the South West building have been removed and these two bays will have windows instead of doors.

I trust the planning approval can now be issued and if you have any queries please do not hesitate to phone this office.

Yours sincerely
