

**Existing Front Elevation (From Street)**

**Proposed Front Elevation (From Street)**

Existing front hedge to be removed

Existing front wall pier caps to be replaced with pyramid pier caps

Existing front door and fanlight to be replaced

Existing tiles in porch to be replaced like for like

Existing trellis to be removed

Front wall to be rendered

Existing front step and path finish to be replaced

New traditional front door and fanlight (see detail design drawing)

New tiles in porch to be installed like for like (See design spec. document)

Sloping rise alongside the steps to the front door. The top of the wall would form a ridge

Tiles at street level – replace like-for-like

Three steps – Replace with dark grey stone in keeping with the area

Second landing – replace like-for-like

Top landing – replace like-for-like (See design spec. document)

**GENERAL NOTES**

Do not scale from this drawing - Unless for Local Authority Planning Purposes.

All dimensions to be checked on site.

Structural elements shown are for reference only and Structural Engineers drawings/information must be used and takes precedence over this drawing. If in doubt check ahead of proceeding.
