

NOTE

1. Existing kitchen extension to be carefully demolished and rebuilt to match existing.

External walls to be built with insulated cavity construction. Removed bricks, parapet coping stones and other materials to be set aside and reincorporated where condition allows. Existing doors and windows to be carefully set aside to secure location and reincoprated as per existing, where practical and usuable.

2. Existing window enlarged. Design to match existing.

Decision Notice dated 17th November

Householder Application included the granting of replacement of the roof of the rear extension and installation of metal balustrade.

This application respects that Decision Notice but allows for the rebuilding of this extension due to structural reasons connected to impact of surrounding trees
