

Prevailing dwelling typology

6 Lindfield Gardens

2020/4570/P

- We have undertaken a further analysis of the street and the prevailing dwelling typology.
- There is a mixture of dwelling size, style and form with Lindfield Gardens including large detached dwellings, converted houses and purpose built flat blocks.
- The predominate dwelling typology within the street is not large single dwelling houses, but is very clearly flat blocks and converted houses.
- Nos 2a-2e are a more modern (1970's) terrace of dwellings atypical of the area.
