2020/5440/P	Kentish Town and Bartholomew Estate CAAC	21/01/2021 11:56:55	OBJ	we have reviewed this application and consider that encroaches significantly into the garden and as such reduces available green space (B22 conservation area statement). from the plans it appears that the proposed extension would double the size of the flat. We consider a smaller extension would meet the guidelines set out in the Conservation Area Statement
