2020/5469/P	Mr David Shakespeare	20/01/2021 11:26:09	SUPC	The application states that the existing windows are white PVC this is incorrect as they are brown PVC. The application to replace the windows is supported, however, with the condition that they are the same in style, form and colour as the existing windows and that there is a match to properties 1,2,3 and 4 Richardson's Mews which all have similar brown window frames.
